**November 10, 2020
7:00 p.m. to 8:00 p.m.**

The reconstruction of both the Uphoff Road bridge over Koshonong Creek and the Femrite Drive bridge over Door Creek will be discussed at a public involvement meeting scheduled by the Town of Cottage Grove in Wisconsin.

The meeting will be held on Tuesday, November 10th, 2020 from 7:00 p.m. to 8:00 p.m. at the Town of Cottage Grove town hall located at 4058 County Road N, Cottage Grove, WI 53527. The meeting will also have a link available on the Town website (<https://www.tn.cottagegrove.wi.gov/>) to attend virtually. Residents are encouraged to attend via whichever format works best for them.

The Town will replace the existing bridges with new single-span concrete slab bridges and reconstruct the roadway approaches on Uphoff Road located in Section 14 and Femrite Drive located in Section 30, in the Town of Cottage Grove, Dane County, Wisconsin. Work will consist of bridge removal, grading, concrete masonry, crushed aggregate base course, asphalt pavement, erosion control items, and landscaping items.

During construction, each road will be closed to traffic. Access to residences and the Glacial Drumlin Trail will be maintained at all times.

Work is scheduled to take place in the summer of 2022.

The purpose of the meeting is to present the preliminary plans of the work scheduled for the bridge construction projects, discuss the proposed schedule, and gather public input. Any comments that may be of interest to the design team are welcome.

The meeting will be organized in an open-house format and interested persons are invited to attend at their convenience. There will be a presentation at the onset to provide an overview of the projects followed by questions. Representatives from the Town of Cottage Grove and Ayres Associates will be available to discuss the design details, address comments, and answer questions. Displays showing the proposed projects will be available for viewing.

Persons with a concern or knowledge about historic buildings and structures, public lands, and archaeological sites are encouraged to attend this meeting or provide comments to the Town of Cottage Grove.
