A "yes" vote on the question is a vote to authorize the Stoughton Area School District budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$4,300,000 for the 2024-2025 school year; by an additional \$600,000 (for a total of \$4,900,000) for the 2025-2026

A "no" vote on the question is a vote to deny the Stoughton Area School District the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$4,300,000 for the 2024-2025 school year; by an additional \$600,000 (for a total of \$4,900,000) for the 2025-2026 school year; by an additional \$600,000 (for a total of \$5,500,000) for the 2026-2027 school year; and by an additional \$600,000 (for a total of \$6,100,000) for the 2027-2028 school year and thereafter for recurring purposes.

Information to Electors²

Upon entering the polling place and before being permitted to vote, an elector shall:

- state their name and address
- show an acceptable form of photo identification*
- sign the poll book**

***If an elector does not have acceptable photo identification, the elector may obtain a free photo ID for voting from the Division of Motor Vehicles.**

****If the elector is unable to sign the poll book due to disability, a poll worker may write the word "exempt."**

If an elector is not registered to vote, they may register to vote at the polling place serving their residence if the elector provides proof of residence.

Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot.³

² This section should be adapted depending upon what type of voting procedure is used.

³ Remove this sentence if only touch screen voting system(s) are used.

Upon being permitted to vote, the elector shall enter a voting booth or go to a machine and cast their ballot. The vote should not be cast in any manner other than specified here. Sample ballots or other materials to assist the elector in marking their ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

An elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward.

An election official may inform the elector of the proper manner for casting a vote but the official may not advise or indicate a particular voting choice.

Assistance for Voting

An elector may select an individual to assist in casting their vote if the elector declares to the presiding official that they are unable to read, have difficulty reading, writing, or understanding English, or that due to disability are unable to cast their ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

Where Paper Ballots are Used

On referendum questions, the elector shall make a mark (X) in the square next to "yes" if in favor of the question, or the elector shall make a mark (X) in the square next to "no" if opposed to the question.

Where Optical Scan Voting is Used

On referendum questions, the elector shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the elector shall fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an *electronic ballot marking device* (“*Automark*,” “*ExpressVote*,” *Clear Access* or “*ImageCast Evolution-ICE*”) to mark an **optical scan ballot** on referendum questions, the elector shall touch the screen or use the tactile pad to select "yes" if in favor of the question, or the elector shall touch the screen or use the tactile pad to select "no" if opposed to the question.

Where Touch Screen Voting is Used

On referendum questions, the elector shall touch the screen at "yes" if in favor of the question, or the elector shall touch the screen at "no" if opposed to the question.

After Voting the Ballot

After an official **paper ballot** is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The elector shall deposit the voted ballot in the ballot box or deliver the ballot to an inspector for deposit and shall leave the polling place promptly.

After an official **optical scan ballot** is marked, it shall be inserted in the security sleeve, so the marks do not show. The elector may insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. If a central count system is used, the elector shall insert the ballot in the ballot box and discard the sleeve or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

After an official **touch screen ballot** is cast, the elector shall leave the polling place promptly.

Spoiling Ballots

If an elector spoils a **paper or optical scan** ballot, they shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official who shall issue a proper ballot in its place.⁴

The elector may spoil a **touch screen** ballot at the voting station before the ballot is cast.

⁴ Remove this sentence if only touch screen voting system(s) are used.
